

# EVERYDAY LIFE IN ANCIENT GREECE

---

## ASSIGNMENT

**Instructions:** You are to individually research one of the topics and create a 400-500 word **typed** research paper. In doing this research compare the topic to both Sparta and Athens. In your writing make sure to include insight into what you have discovered as well as the impact your topic had on later civilizations.

**PAPERS ARE DUE:** \_\_\_\_\_.

- Your paper needs to have line spacing set at 1.5 and a font size of 12.
- You need to start with a clear introduction to your topic and end with a strong conclusion.
- All papers are to be put through [www.doccop.com](http://www.doccop.com) with the **email** printed out and attached to the report.
- All information **MUST** be put in your own words.
- Papers must be written in MLA format. Sources **MUST** be cited on a “Works Cited” page and throughout the paper.
- A minimum of 3 different sources must be used with at least one being a printed text.
- You will be given research sheets to use in conducting your research that your notes from each source can be organized on.
- Research info sheets must be attached to final copy of essay.
